THE AMERICAN JOURNAL OF  
MATERNAL CHILD NURSING

INDEX TO VOLUME 1

JANUARY TO DECEMBER 1976

This index is in two sections. The Subject Section is an alphabetical subject index of *Articles*, and such features as *Nurses In Action*, *Professionally Speaking*, and *Continuing Education*. Geographic entries are by names of some Cities, and the names of States, Provinces, or Countries. The Name Section is alphabetical by surname of author. The following abbreviations are used: (bk rev)—book review; (ed)—editorial; (exc)—excerpt; (film rev)—film review; (FD)—Forum (Department); (ND)—Nurses in Action (Department); (PS)—Professionally Speaking (Department).

Note that the subject headings are the same as those used in the *International Nursing Index (INI)* and are based on the *Medical Subject Headings* published by the National Library of Medicine. A "Nursing Thesaurus," which lists nursing headings commonly used with referrals to the headings used in INI and in the annual indexes of MCN, *The American Journal of Maternal Child Nursing*, *Nursing Research*, *Nursing Outlook*, and *American Journal of Nursing*, is published each year as part 2 of the first issue of INI and is bound in the fourth and cumulated hard cover issue. Copies of this Thesaurus are available from the Editor, *International Nursing Index*, 10 Columbus Circle, New York, N. Y. 10019, price \$2.00.
